BE A PART OF *Team Samantha*

We have a part time opportunity to be a **Personal Care Assistant** to a fun -loving remarkable young woman living with a TBI – 9 years post motor vehicle accident.

Duties include:

- Accompany Samantha to all her activities; Church, School, Homework, Friends, Shopping, Starbucks, Errands. Join us during family functions.
- Helping her with all her ADL's; Personal grooming, light household chores. i. e. laundry, dishwasher etc.
- Building in therapeutic activities while out in the community, working on study assignments, physical drills, stretches and exercises.
- Helping her to use her daily planner and reminders.

Patience, sensitivity and the ability to see beyond her physical limitations to the young woman she is inside is key to forming a successful relationship.

- Qualified candidates should have a strong desire to **help her help herself** in order for her to continue to grow and strengthen her physical and cognitive skills.
- An excellent driving record is required.
